

BUTTERFLY PRINCESS

I wiggle and I worm
I squiggle and I squirm
I'm not the least bit poisonous

I hurry and I scurry, I'm always in a flurry
To find my next meal I'm simply ravenous
Flowers, bring me flowers

I'm a Princess at night
By day I'm a butterfly
Locked in this tall tower
I dream of being with flowers
Oh why, oh why can't I be me?

* I'm a butterfly
Just a princess in disguise
I'm a butterfly
Just a princess in disguise

I fly all day to keep the poachers at bay
If they find me I'm doomed to live in a dusty museum room!
A shiny multi-coloured butterfly
Like a lottery I could be somebody's special prize!

Flowers, bring me flowers

I'm a Princess at night
By day I'm a butterfly
Locked in this tall tower
I dream of being with flowers!
Oh why, oh why can't I be me? *

Oh why, oh why can't I be me?

I hear the wind and the breeze
I see them flutter through the trees
They look up at me and ask why it is I can't fly?
Oh why, oh why can't I be me?
