

PRINCESS PANDORA DUET

Queen Gwendolyn:

Pandora, the moment I saw ya`, I knew it was true
Beauty I know, you were just like a rose
Perfect in every way, like a perfect summers day
You're a beautiful individual

Princess Pandora, we all adore ya`
For who you are, `cos you are our shining star
Princess Pandora, no we could never ignore ya`
`Cos you are you, a beautiful individual, individual
No, you don't need to change or re-arrange who you are
`Cos you're a beautiful individual

King Charlie:

Prince Piper and I, Mother and Aunt Agatha
Wouldn't want you any way, but who you are today
I know you want to fly, reach out and touch the sky
I really wonder why, you think you need to try
`Cos who you are, is a beautiful individual

Together:

Princess Pandora we all adore ya`
For who you are `cos you are our shining star
Princess Pandora, no we could never ignore ya`
`Cos you are you, a beautiful individual, individual

Queen Gwendolyn:

No, you don't need to change or re-arrange who you are
`Cos you are a beautiful individual

Together:

Princess Pandora, we all adore ya`
Princess Pandora, we all adore ya`
Princess Pandora
