

# PRINCES SONG (I WANT TO KNOW)

I want to know all about your life  
Give it to me, give it to me  
I want to know all about your strife  
I'll set you free, I'll set you free

All this talk of endless flying  
Always seems you end up crying  
Oh, I want you to be free  
To express what you want to be

I want to know how to ease your pain  
Try to explain, try to explain  
I want to know how to set things right  
I'm on my knees, beggin' you please

If I could take this pain from you  
Just tell me, tell me what to do  
Would it help the situation?  
Or provide some explanation?

Oh, I want to know, I want to know, I want to know  
I want to know, I want to know, I want to know  
I want to know, I want to know, I want to know  
I want to know, I want to know, I got to know

I want to know all about your life  
Give it to me, give it to me  
I want to know all about your strife  
I'll set you free, I'll set you free

All this talk of endless flying  
Always seems you end up crying  
Oh, I want you to be free  
To express what you want to be

Oh, come with me  
I'll set you free

Come with me
