

Pretty Practice Queen

*Come and be like us
Pretty 'Practice Queen'
But if you don't 'fit in'
then you can leave*

*'Cos if you don't join in our Butterfly Quorum
Then you must be very very boring*

*If you're not like us
Pretty 'Practise Queen'
Then you can leave*

*Because we dress a certain way
And we talk a certain way
And we 'chitter chatter', 'nitter natter'
About nothing in particular
and we know the latest in a lot of things
We think that really matter*

*But we haven't got the time
for people who don't find us
Particularly fascinating
though some people think that worth debating !*

*So come and be like us pretty practice queen
But if you don't 'fit in'
then you can leave
'Cos if you don't join in our Butterfly Quorum
Then you must be someone who is very very boring*

*If you don't 'fit in' pretty practice queen
Then you can leave
Then you can leave
Then you can leave*
